FILLMORE CITY PUBLIC NOTICE ANNUAL SEWER CLEANING

On Monday September 7th, 2017, Fillmore City will be conducting their annual sewer cleaning. The completion date is scheduled as September 22nd. Attached is a map showing what lines of the sewer system will be cleaned (highlighted in yellow). In some rare cases, some pressure from blowing out the lines may cause small amounts of sewage to run back up the line and into toilets. It is highly unlikely that will happen, however, the city advises to keep toilet lids closed during the cleanout process. Work on the system starts at about 7:00 a.m. and usually finishes at about 7:00 p.m. If your home or business is not on the scheduled route, (see map) please disregard this message.

We appreciate your attention to this matter and if you have any questions please feel free to call Kevin Orton at the Fillmore City office at 435-743-5233.

Fillmore Sanitary Sewer Maintenance Schedule – Sept 7th through Sept 22nd
